

citizenM 'proof of vaccination' policy Switzerland

What you need to know

There are new Covid-19 rules in place, set out by the government of Switzerland. Unsure what rules apply to your situation? <https://travelcheck.admin.ch/home>

From **December 20**, all travellers from outside Switzerland staying overnight at citizenM must have a completed entry form <https://swissplf.admin.ch/formular>

For people aged 16 and over, access to the indoor areas of restaurants and bars where people consume food and drinks on the premises must be restricted to holders of either:

- proof of vaccination that is valid for the Swiss authorities. See this website for more information:
<https://www.myswitzerland.com/en-ch/planning/transport-accommodation/travel-to-switzerland/where-and-when-is-what-open/>, or
- proof of recovery – a positive COVID test which is at least 11 days old and maximum 180 days old

Which vaccines are accepted?

The vaccine you received must have been approved by the European Medicines Agency (EMA) or be on the Emergency Use Listing of the World Health Organization (WHO). An overview is available on the official website: <https://foph-coronavirus.ch/>.
