

citizenM ‘proof of vaccination’ policy San Francisco

What you need to know:

In accordance with San Francisco’s Safer Return Together Health Order, we require all guests over the age of 12 who are guests of our hotel or using the living room or the gym, to show proof that they are fully vaccinated with the Covid-19 vaccine authorized for emergency use by the FDA or WHO.

Please note, you must also show photo identification (government-issued ID must be a hard copy), showing the same verification information as the proof of vaccination.

Vaccination requirements :

“**Fully vaccinated**” means that a person has received all the required doses of an FDA-authorized COVID-19 vaccine (two doses of the Moderna or Pfizer-BioNTech vaccines, or one dose of the Johnson & Johnson vaccine) or a WHO-authorized COVID-19 vaccine series, and 14 days have passed since the final dose.

Vaccines authorized by FDA/ WHO :

WHO has also listed the Pfizer/BioNTech, Astrazeneca-SK Bio, Serum Institute of India, Janssen and Moderna vaccines for emergency use.

FDA has authorized the use of: Pfizer/BioNtech, Johnson & Johnson, Moderna/ NIAID.

Apps we will take at kiosk to verify vaccination status:

- CDC Vaccination Card (or photo)
- Local Department of Health website for immunization records
- An official immunization record of a vaccine administered from outside NYC/the U.S
- For international travellers, a physical vaccination card or photo is required.
