

citizenM house rules

Welcome, world citizen! You are travelling during a challenging time, when your health and safety takes precedence over adventure. To make sure your wellbeing – and ours – is protected, we have put some new house rules in place.

social distancing – please keep the required distance of 1.5 meters from others

face masks – wearing a mask is mandatory in all public areas of the hotel whenever maintaining the 1.5 meter distance from others is not possible

friends, family, colleagues – they may be staying at the hotel with you. Please observe the social distancing rules and wear face masks as required in our living room.

visitors – we are unable to welcome visitors at this time – only registered guests

cash and payments – we are now cashless and we accept all of the following cards: Visa, MasterCard, American Express and JCB. A credit card is required to guarantee any extra spending while at the hotel. For your convenience, you may charge your spending to your room. We will ask you to settle any balances over the value of 3,000 TWD. All room nights must be paid for in advance. If you need to extend your stay, we will ask you to pay for the additional nights at the time of reservation extension.

stairs and elevators – if you are fit and healthy, please use the stairs so the elevators may be kept free for those who cannot use the stairs

smoking – our hotels have always been smoke free and we continue to observe this policy. Please smoke outside. A penalty applies for smoking inside.

if you feel ill – if you have the symptoms of coronavirus (cough, fever, breathing difficulties), please let the hotel team know immediately so we can give you our best support while you're in isolation, and/or arrange medical care. The team will let you know about the self-quarantine procedures of the hotel.

For your health and safety – and ours – **we reserve the right to:**

- close the hotel if circumstances demand it and shorten your booking
- adapt the daily services of the hotel as needed – food, beverages, housekeeping and other
- ask anyone not complying with the house rules to leave the hotel
- check your temperature if required by the authorities

During this challenging time, we can all minimise the risk of coronavirus by following these rules together. Thank you for your understanding.
